TABLE OF CONTENTS

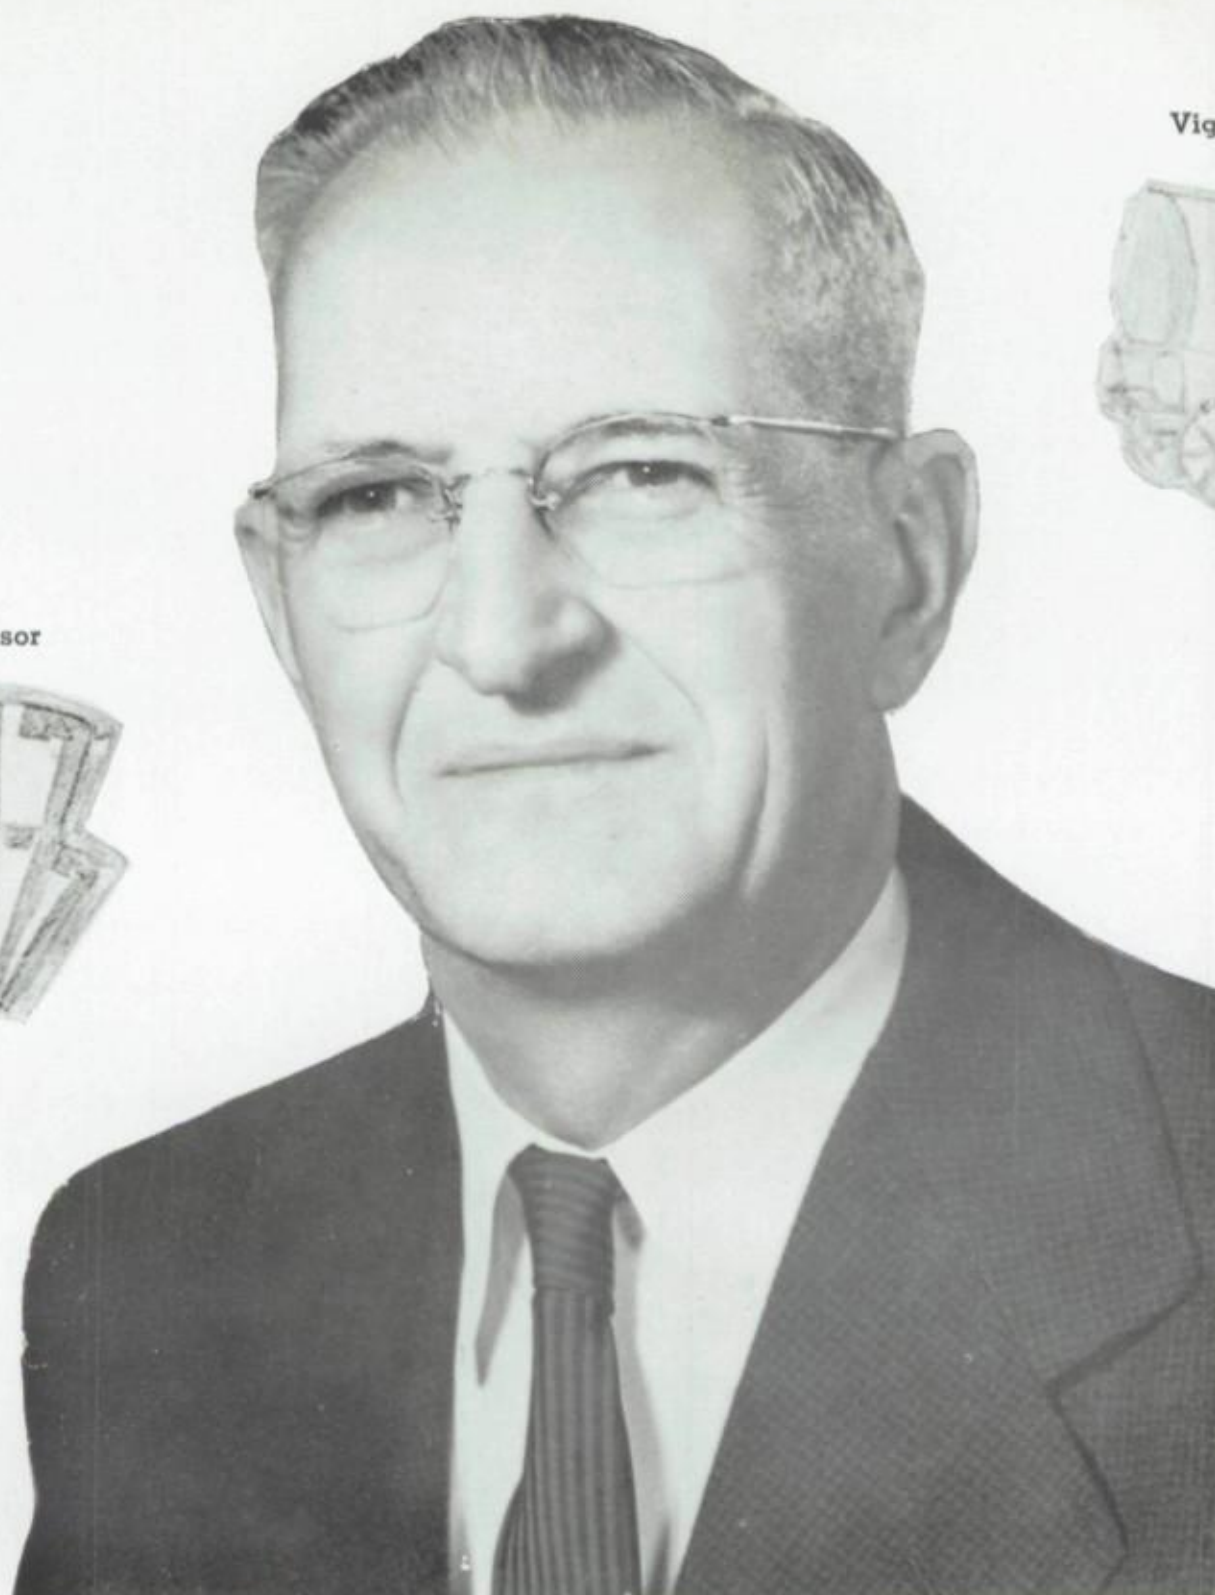

Foreword

An annual is a pictorial representation of the events of the year. We hope that through this book many memories will be relived that would have been forgotten.

Perhaps some things have been left out, and perhaps some things have been included that should have been eliminated.

The Vigilante Staff has tried its best to bring you a memento of the years, 1959-1960.

In Dedication

To Mr. Sam Cappious, who has unselfishly devoted himself to the betterment of the youngsters of our town, we, the Senior Class of 1960, respectfully and earnestly dedicate this book, in appreciation for his contributions to our school.

HISTORY OF HELENA

About the middle of May, 1864, a party of four men, now known as the Four Georgians staggered into the Helena Valley. They had been searching for gold and were tired and discouraged. When they spied the tiny stream trickling into the valley they decided to make one "Last Chance." It soon was evident that gold was abundant in the creek and the find of these four men, R. Stanley, John Cowan, J. Miller, and John Crabb, laid the foundation for the present city of Helena.

Soon "Last Chance Gulch," as it was appropriately named, was teeming with life. Drinking became the main occupation of the camp and brawls were not infrequent. Occasionally a grizzly bear or an Indian would stray into the camp keeping the miner's life rich in excitement.

In 1866 R. Stanley built the first cabin and more followed his example. Buildings sprang up everywhere to accomodate the flow of miners.

The same year the first murder in the busy camp took place. Slater was hung on the famed Hanging Tree for killing his friend Keene.

By 1874, the miners had drained \$170,000 in gold from the gulch and little remained. This was the year of the worst fire in the history of Helena. It destroyed over \$10,000 in property.

In 1876, the capital was moved from Virginia City to Helena, and Helena was recognized as the leader of the Montana territory.

In 1889 Montana became a state. Everything became more citified and the mining days came to a close.

Now, in this year of 1960 certain buildings are landmarks that will never be forgotten. Our division pages depict some of these:

The capitol, a most important edifice, establishes Helena as the political center of Montana. She is renowned for her colorful frescos in the Senate and the House, and for her pretty rococco interior.

The Cathedral rises high above the city. She lifts her ornate arms to the heavens as though asking God to protect her beloved people. Her doors are forever open, beckoning all to enter.

The Civic Center, once the Shrine Temple, has provided us with many an entertaining evening. She also houses our alert fire department and police force. All day her typewriters are kept busy typing her civic deeds.

Beautiful Carroll College distinguishes Helena as having a high academic standard. Her fast-growing fame keeps her busy.

The R.B. Stand has been kept bustling with life by the Helena High students for many years. Who will forget cruising the stand on Saturday nights?

The new Charles Russel Museum has expanded and grown to become one of Helena's best tourist sights and has revived the history of Helena for natives of Helena.

The Library, a peaceful and serene place of study, is one of Helena's oldest buildings. It offers volumes of books to avid scholars and curious students.

SENIOR CLASS HISTORY

Gerry Neely
President

As the individualistic class of 1960 leaves the halls of "Old H.H.S." it will recall with vivid memory the trials and triumphs of the last three years of school. The rollicking-rolling sophomore year stands out as the year a bunch of brats rolled in from the Junior High. The class, under the direction of our sponsors Mrs. Sheila Matulys, Mr. Andrew Annala and Miss Willamette Morse, elected Conn Norling as President. The class soon learned to grow up under the domineering looks of the big seniors. Dave Didrikson gave our class great honor when he was selected Mr. H.H.S.

The future of this class looked even better as the Junior Prom unfolded its splendor to the classes of Helena High. "Red Sails In The Sunset" will never drop below the horizon as long as Junior Proms are held. With Tom Kenney as president and Marianne Carlson, crowned as Princess Vigilante.

The class of 1960 began to show the school that it wasn't as inert and immobile as was thought. This was especially shown when the class of "60" won sweepstakes for 1959 and 1960 in the renowned Vigilante parade. The class of "60" also was awarded the Wall Cup and the Roberts Cup.

We are a class with many fine athletes. This is reflected in Cliff Hysell, selected to play for the East-West Shrine game, Jack Coe, 2nd in his division in wrestling for "60", and on the second team, All State Football team, with Larry Ashcraft close behind for second team All-State in basketball. Juergen Greger and Tom Kenney were state champs in the 880 and 440 yard dash respectively. To climax our Senior history cute Judy Williams was chosen DeMolay Sweetheart.

Uta Neuburg-Foreign Exchange Student from Germany

FROM UTA TO YOU

On this page you find pictures which are taken during my most wonderful year, the year as an exchange student at H.H.S.

In the left hand corner-picture one can see me ready for one of the many formal dances, which all were a lot of fun.

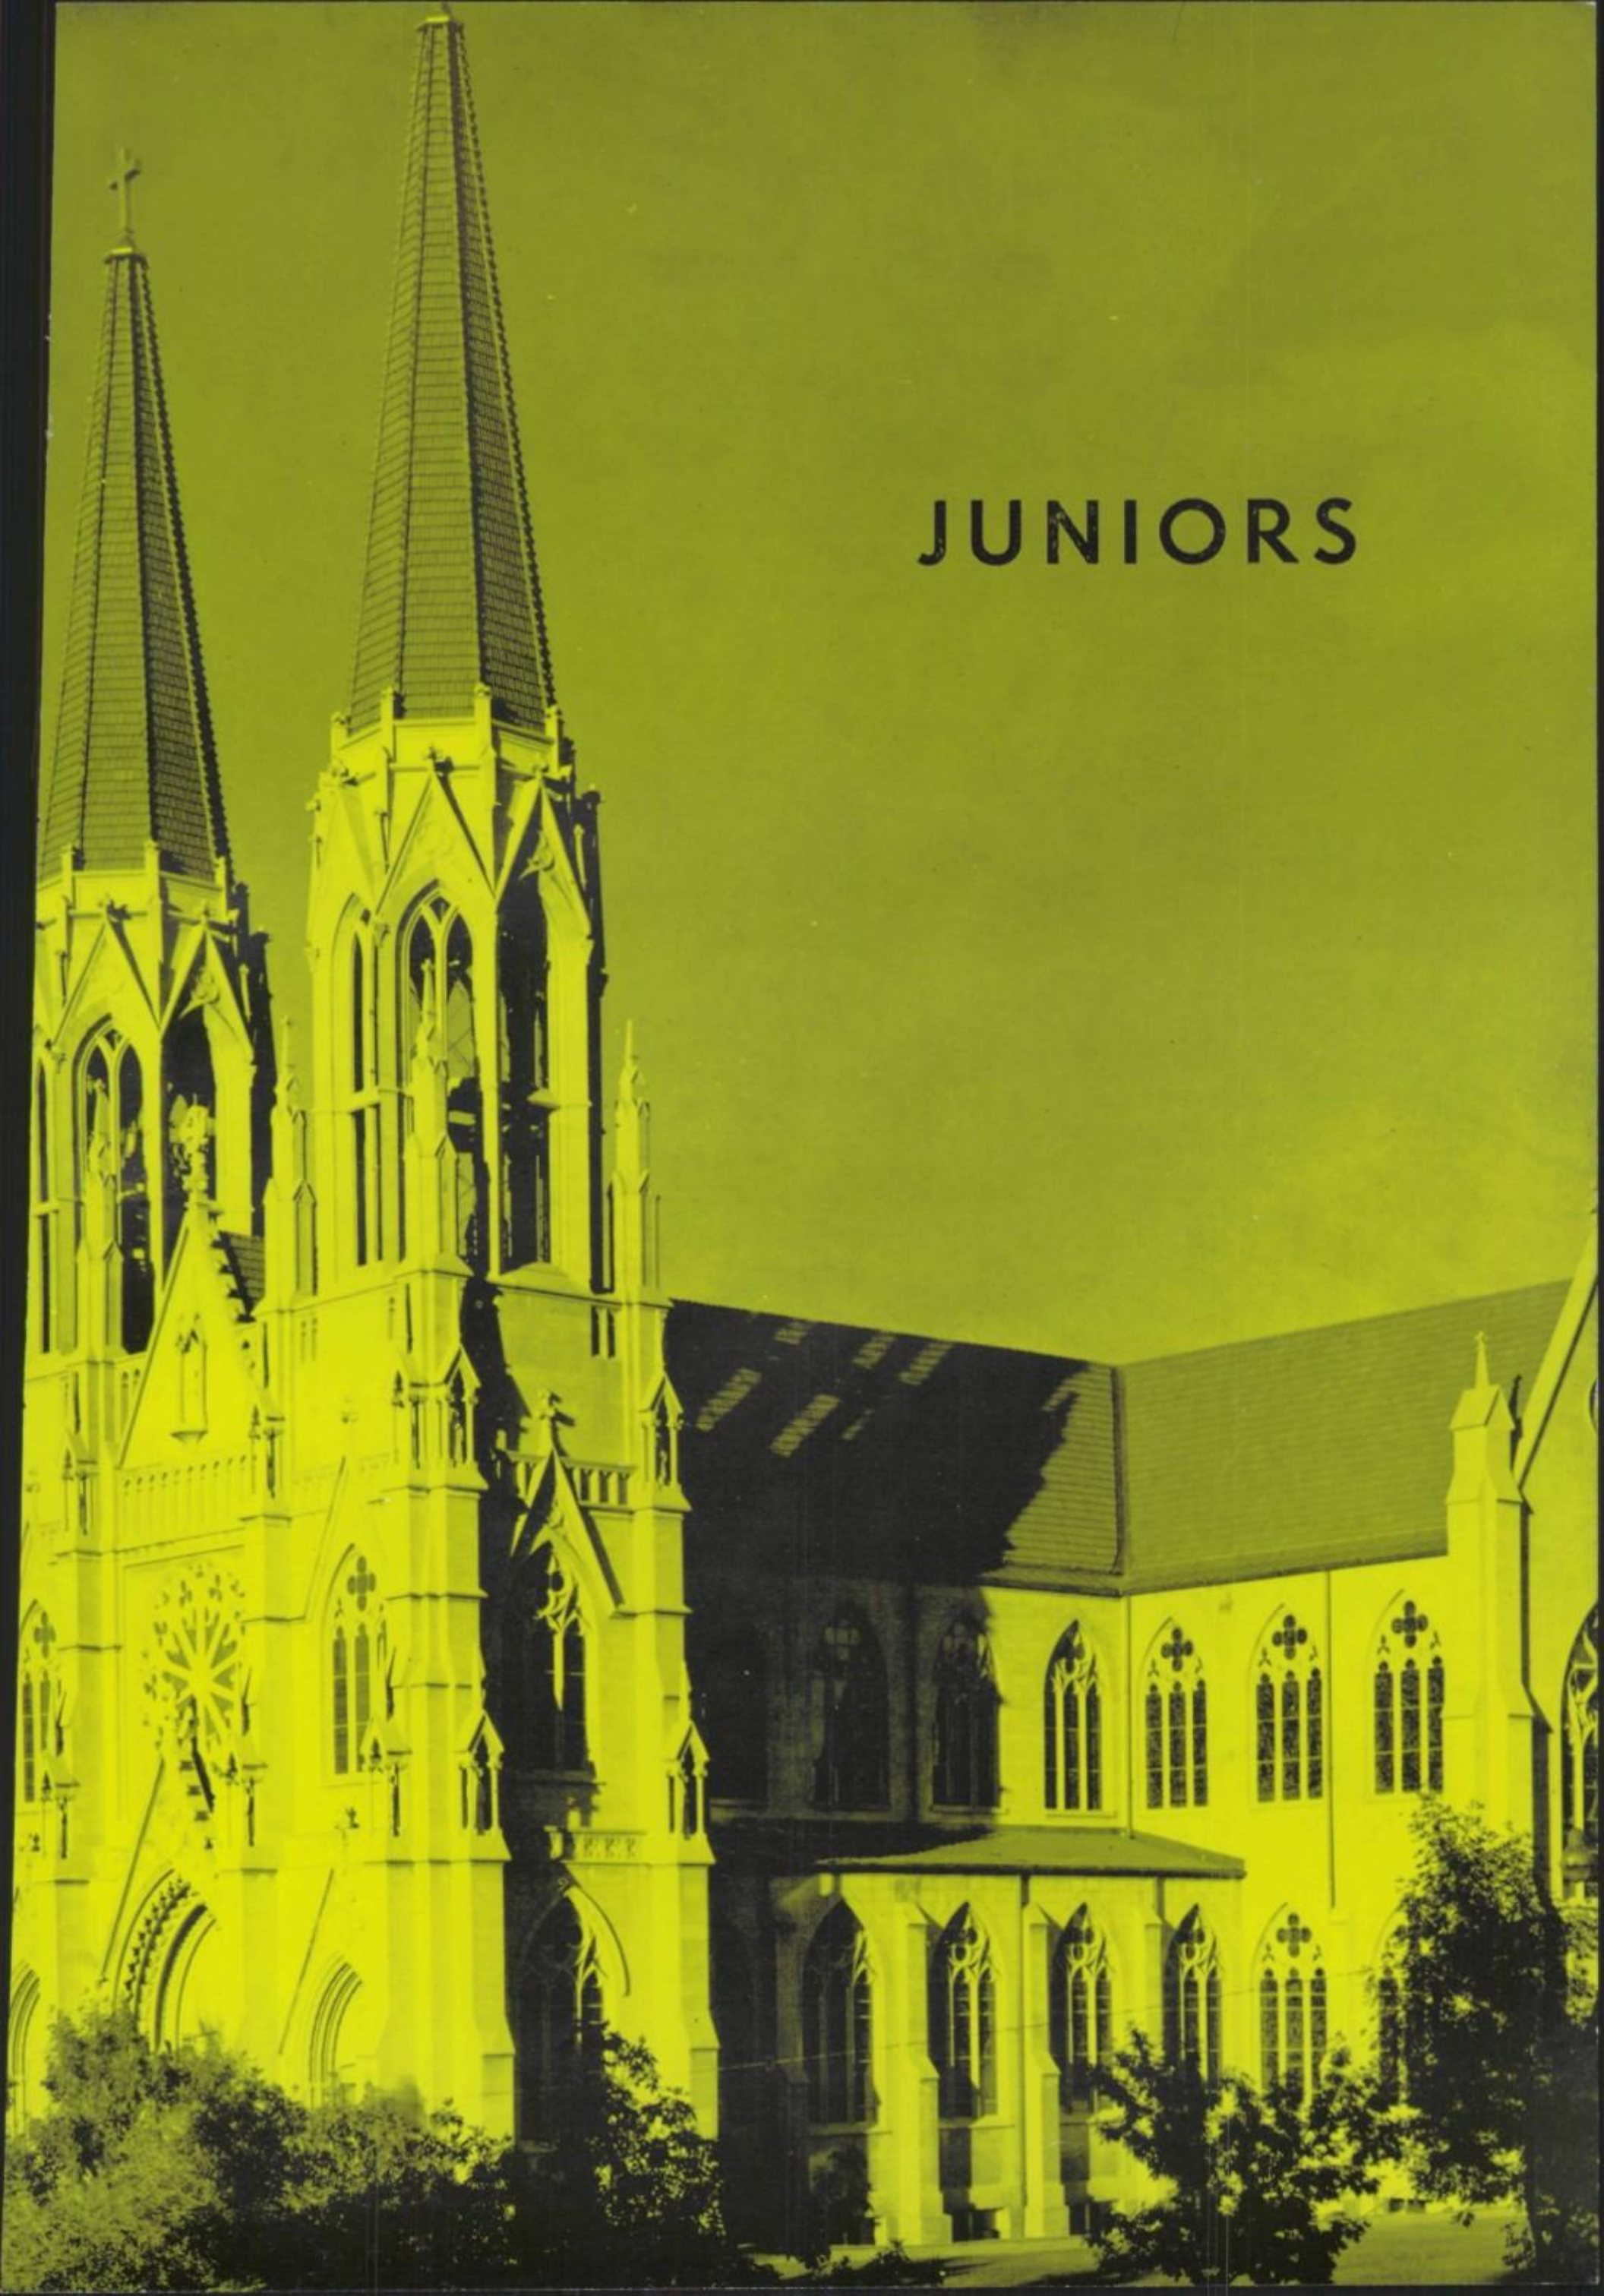

Do you notice the many trophies on the picture below? Probably now you understand why I am so proud and grateful that I could attend just such a splendid school as HHS.

The picture in the middle at the bottom shows me surrounded by my American family. It is almost impossible to imagine that they are even nicer than they look, but it is really true!!

Then you see me changed to a real American gal, blue-jeans shirt and feeling just great.

In the right corner I appear with "good old sis" Pat, all fixed up for a big party.

Yes, and in the middle that's me like I bothered the kids around for a whole year.

A photograph of a Gothic cathedral, likely St. John the Evangelist Church in Chicago, featuring two prominent spires and a large rose window. The image is monochromatic, appearing in shades of yellow and black. The word "JUNIORS" is printed in a bold, serif font in the upper right quadrant of the image.

JUNIOR CLASS HISTORY

We, the class of '61', entered school this fall with hopes of making the coming year as big a success as our Sophomore and Freshman years.

We were off to a good start with our officers; Shirley Hart, Art Hulett, Pete Lanthorn, Carolyn Gibson and Russ Williams, setting the pace.

As princess candidates we elected vivacious Judy Buckland and pretty Nikki Eveland. They did an excellent job of representing us in the coronation.

In the field of sports we proved ourselves tops with Ken Leland playing forward on the basketball team and Jim Whipple and Chuck Green making some outstanding plays on the varsity football team.

Our's is the first class to elect a foreign exchange student. We chose erudite Dru Dougherty to represent us in Argentina.

We elected three of our most versatile and exceptional girls to go to Girls' State; Karen Baucus, Nikki Evland, and Mary Bieri. Mary Kay McEacheron, Joyce Jorgonson, and Judy Buckland are alternates.

Who will forget our unique Junior Prom? Arabian Nights was the theme and all enjoyed dancing to the music of the Vagabounds.

Our thanks and appreciation to our sponsors and advisors for their invaluable help in making this year a success.

Dru has a 5.00 academic average. He was president of his Sophomore class; an active Debate member; and served on the Junior Board. He also played Legion Baseball and was prominent in Latin Club. For his outstanding leadership qualities, he was given the American Legion Award in his Freshman year.

SOPHOMORE CLASS HISTORY

We, the class of 1962, entered H.H.S. in the fall of 1959 with a few doubts about our High School careers. We were the youngsters of the school, but we boasted the largest class.

Soon we replaced our doubts with determination to make the next three years profitable ones.

We started off well, and soon found ourselves in many activities. At last we felt that we belonged.

It wasn't all play though, for we claimed our share of the honor role.

Now we look back on our Sophomore year with satisfaction, and anticipate making our Junior year just as successful.

Our class officers did a very able job, and deserve much credit.

We wish to extend our thanks and appreciation to our class sponsors, Miss Kirkpatrick, Mrs. Wilson, and Mr. Voiles.

THESE TEN STUDENTS WERE ELECTED BY THE SOPHOMORE CLASS ON THE BASIS OF LEADERSHIP, SCHOLASTIC ACHIEVEMENT, AND PERSONALITY. WE'RE EXPECTING TO SEE A LOT MORE OF THESE HEADLINERS IN THE FUTURE.

CLOCKWISE FROM THE TOP, THEY ARE:

Art Cranmer, Doug Skor, Helene Rust, Lee Morgan, Dennis Meyers, Bob Hoffman, Ray DeGooyer,
Dianne Feller, Kathy Fleury.

FACULTY

ADMINISTRATION

MR. ANDERSON

Mr. Anderson has the responsibility of running all the schools in the Helena System. This job is not easy and at times entails many difficult decisions, but Mr. Anderson seems to always make the right choices. Certainly we should appreciate this man who has served us so well for the past five years.

MR. WEAVER

The head of any organization or concern is usually the recipient of a certain amount of criticism. Not so with Mr. Weaver, the principal of Helena Senior High. Mr. Weaver has the admiration and respect of the student body and the faculty. All persons might not agree with the decisions of the office, but in the end they see that Mr. Weaver is a very capable administrator.

MR. JOHNSON

This man with his cheerful smile and understanding personality has not only served Mr. Weaver with the best of his ability but has also gained the respect of all students. He and Mr. Weaver together have run our school with huge success this year.

ADMINISTRATION

MR. CLARENCE SHIVELY Director of Boys' Guidance

Mr. Shively has been an excellent guidance counselor for several years; but this year his attentions were directed mainly toward the boys. He aided boys in planning their high school schedule and helped senior boys make plans for college. He and Miss Megard administered tests of all types to help students choose vocations and win scholarships.

MR. FRED ROBINSON Director of Adult Education Program

This year Mr. Robinson was in charge of the adult education program. He set up adult classes every night of the week and offered to adults twenty-one different courses. In his program he had over three-hundred and fifty adults participating in the different courses and one-hundred and fifty adults taking part in three panel discussions. Indeed we are all deeply grateful to Mr. Robinson for setting up such a successful program which has helped to further education.

MISS KATHRYN MEGARD Director of Girls' Guidance

Although this was Miss Megard's first year as girls' counselor, it did not take her long to establish herself as a "true pal." To the Senior girls she offered her aid and advice in choosing the proper college. Often one could find a junior girl seeking her assistance in establishing a good schedule-plan for the next year. Miss Megard was a capable counselor for Sophomore girls as she introduced to them our school and helped them plan the remainder of their high school years.

HEAD MAJORETTE

MARCIA BLENKARN

This year the twirlers were led by Marcia Blenkarn, head majorette, Jeanie Feldner, head baton, and Sharon Ziegler, head flag. These three girls, Marcia, Jeanie, and Sharon were also the official color-guard.

The 1959-60 season has been a busy one. The twirlers provided enjoyable and colorful halftime performances for many of the home football and basketball games. They traveled to Missoula for the homecoming celebrations. The girls did much to entertain everyone at the Class C Tournament with performances. This year's Vigilante Parade will be remembered by all the twirlers because they had a surprise for everyone with real Indian War Bonnets for the heads, but due to the weather it will have to wait until next year. The Mom and Dad's night at the last basketball game will be remembered too, with flowers for the Moms and a grand march of parents around the gym floor. The twirlers were also able to purchase hats for everyone, making their uniforms complete.

Girls are selected to membership in the corps at spring tryouts following a six-week workshop. Practice sessions continue throughout the summer. The girls are under the direction of Miss Joan McCracken.

One big accomplishment of the band this year was the receiving of new uniform, finally, after two years hard work. The annual tag day was somewhat of a help to the financing of the uniforms, but this day also goes to finance other activities for the band, and the purchasing of new instruments.

VARSITY FOOTBALL

Top row, left to right: Coach Hansen, Bob Janes, Barney Brandt, Bud Robertson, John Carpenter, Ken Leland, Fred Steele, Bill Wertz, Butch Nachtsheim, Tom Rate, George Leeson, Coach Cohn. Second row: Conn Norling, Doug Ferris, Russ Williams, Chuck Green, Cliff Hysell, Ron Tobol, Mickey Anderson, Harry Crawford, Larry Ashcraft, Darrel Blevins. Bottom row: Bill Reynolds, Dean Retz, Mike Meloy, George Day, Randy Noland, Jack Coe, Gary Mihelish, Keith Clarke, Jim Whipple.

COACH HANSEN

Nog produced a better team than was expected of the green Bengals. He led the unexperienced Tigers, who had only one returning starter, lineman Harry Crawford, to a fairly respectable season. Coach Hansen coupled exactly the right amount of fun with seriousness on the field to produce the finest type of football player. He has given not only to the Helena Senior High School but also to the city of Helena a football-conscious squad of tigers which other teams in the conference have grown to respect and admire. The desire he has aroused in the team has led them to state runner-up for two consecutive years.

VARSITY COACHES

COACH COHN

Coach Cohn was one of the finest line coaches in the state; and although the Bengals had only a fair season, their line play at times was of the finest caliber. Coach Cohn developed the line from scratch and produced several outstanding players. His wide smile in the locker room and his stentorian voice on the practice field commanded the respect and admiration of all the players on the team. Coach Cohn, who a few years ago (?) was an exceptional halfback at M.S.C., is a superb supplement to Coach Hansen's method of training.

COACH SWAN

Coach produced many players who will be varsity material next year. He developed the B-Squad to a peak of efficiency. Without his work the varsity would be lacking many fine players.

"B" SQUAD COACHES

COACH VOILES

This was Coach's first year at H.H.S. and we all appreciate his work for the B-Squad. He was a great help to everyone. He also ran the Boys Intramural.

SENIOR VARSITY FOOTBALL

Top row, left to right: Conn Norling, Doug Ferris, Bud Robertson, John Carpenter, Cliff Hysell, Fred Steele, Bill Weritz, Tom Rabe, Harry Crawford, Larry Ashcraft. Bottom row: Dean Reitz, Mike Meloy, George Day, Randy Noland, Jack Coe, Gary Mihelish and Keith Clarke.

When the going got tough Jack got tougher. He inspired the Bengal line throughout the season. Jack received All-State Second Team.

Randy was also one of the co-captains. He was one of the better quarterbacks in the state this season. Along with his blocking and tackling ability he was chosen All-State Second Team.

Cliff was one of the co-captains this year and proved to be a mainstay in both the line and the backfield after his switch to fullback. With his battering-ram power he earned All-State Second Team.

Hysell drives up the middle against Butte Central.

Coach talks with Randy and Cliff about the next ballgame.

CHUCK GREEN

Chuck was a tiger on defense and was one of the most feared linebackers in the state. With his dynamic tackles the opponents knew he meant business. He was also a hard running back on offense. Chuck, a junior, received Honorable Mention All-State.

LARRY ASHCRAFT

Larry improved throughout the season and towards the end he played in the offensive and defensive positions. With his speed and hard tackling he was chosen for Honorable Mention All-State.

HARRY CRAWFORD

Harry was the only three year letterman in football this year. He played superior ball all year long and was one of the strong spirited punches that the Bengals emphasized. He received Honorable Mention All-State.

KEN LELAND

Ken was one of the starting ends this year, and will prove very beneficial to next year's squad. Ken received Honorable Mention All-State.

JIM WHIPPLE

Jim was the biggest man on the squad this season, and with his powerful tackles Jim should press all other linemen in the state next season. He was an outstanding defensive tackle.

TRAPPED

Left to right: Bengals Day, Whipple, Green, and Leland close in on a Bison back.

DEAN RETZ

Dean's speed carried him around end for many Bengal gains. He was a good Broken-field runner, and once he broke loose it was a touchdown.

DOUG FERRIS

Doug was one of the hardest workers on the team. He was starting defensive half-back and also was ready to fill Randy's shoes if needed.

GARY MIHELISH

Gary was a hard fighting player who in tight spots could play either tackle or guard. He was one of the most versatile players on the team.

RANDY GOES FOR A FIRST DOWN

Guards left to right Mihelish and Coe open a hole in the Butte Central line, as Randy goes for a first down. Ashcraft looks on.

MIKE MELOY

Mike played end on defense. He was a tiger against the opposing backs when they attempted a wide sweep.

FRED STEELE

Fred was an outstanding player at his end position. He was always in there trying.

GEORGE DAY

George played much at left guard. He was a great blocker and a tough defensive opponent.

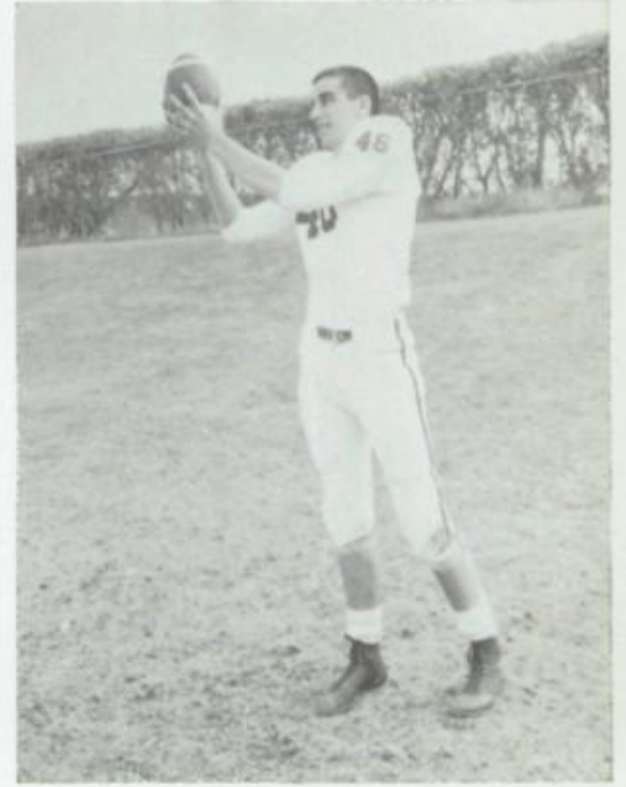

BUD ROBERTSON

Bud, through much improvement, proved to be one of the real tigers in the Mis-soula game. He played outstanding de-fensive tackle in several games.

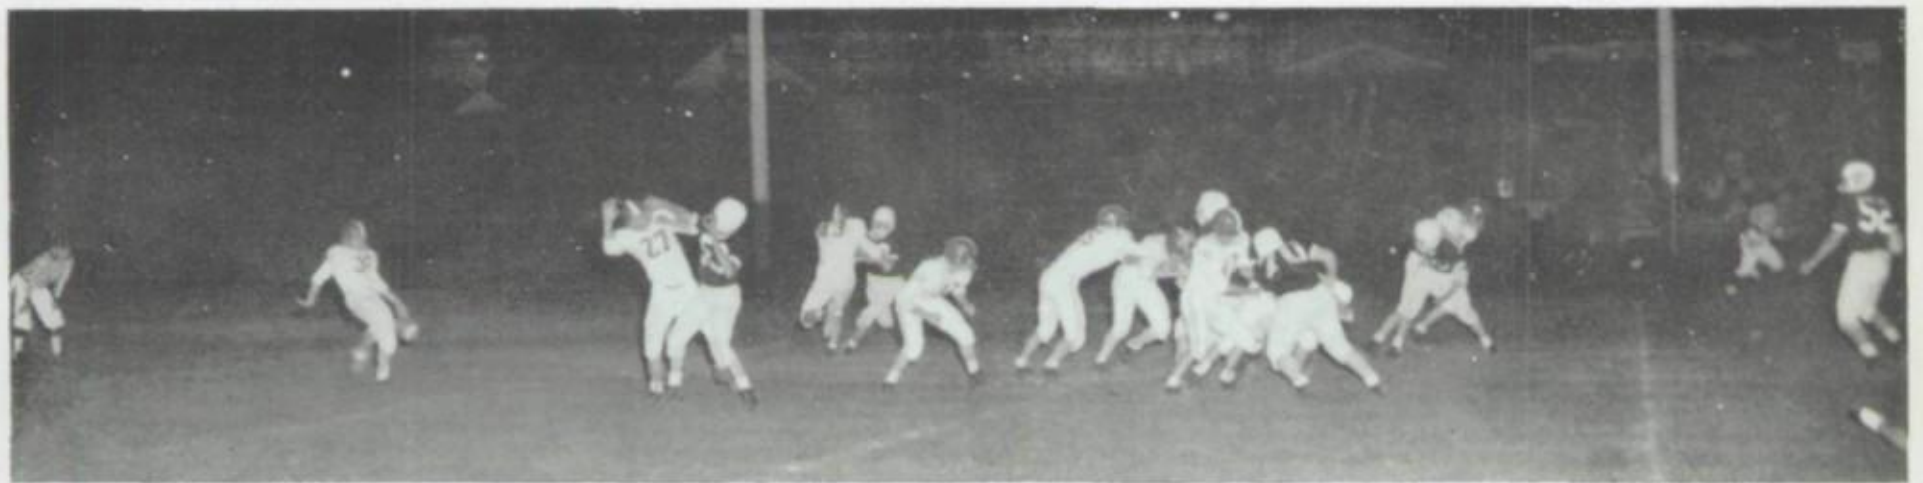

JOHN CARPENTER

John improved his punt centering this year and also played linebacker for the Bengals. He lost several teeth, but this did not stop John's aggressive playing.

BILL WERTZ

Bill, who was plagued by knee injuries this year, became an excellent receiver at end with his great reach. He also played defensive end.

A TIGHT SPOT

Norling punts the Bengals out of a hole against Anaconda.

TOM RATE

Tom was a good replacement at fullback, and added depth to the Bengal backfield. He was hampered by an ankle injury.

CONN NORLING

Conn was the punter for the Bengals this year and helped the team out of many a tight spot. He also played halfback.

DARREL BLEVINS

Darrel was a great help to the Bengals as a reserve this year, and he should be a tiger next season.

RON TOBOL

Ron was a real speedster; he was especially effective on the end runs. He should be one of the best backs in the state next year.

MICKEY ANDERSON

Mickey has the ability to be an excellent quarterback and linebacker. He should be a real help to next year's team.

RUSS WILLIAMS

Russ is a hard running halfback. He showed great ability this year and should be very useful next year.

OUT OF THE FRYING PAN AND INTO THE FIRE—Randy is stopped by Butte Central.

FERRIS INTERCEPTS—Doug grabs a pass from Bozeman

BUTCH NACHTSHEIM

On defense Butch became quite adept as a linebacker. Next year he will be fighting for starting position as center.

BARNEY BRANDT

Barney had rough competition this season since there were several senior ends. This gave him experience which will prove valuable to next year's team.

BILL REYNOLDS

Bill will be a great asset to the 1960 Bengals because of his size. He and Whipple will add authority to the Helena line.

35—Crawford, 27—Noland and 28—Ferris surround Butte Central player. "Brave Cameraman"

BOB JANES

Bob proved his dependability when he replaced an injured player in the Great Falls game. He kept the holes plugged on defense and opened them on offense.

KEITH CLARK

Keith, who played guard, made steady progress through the season. He was a tiger in the game and an able replacement for Jack or George.

Top row, left to right: 1. Noland on a fast break lays a left-handed lay-up through the net. 2. Got a mouthful Cliff? 3. Look at that finger tip control. 4. Dunk it Cliff!

Second row, left to right: 1. Leland flips a hook. 2. Johnson jumping for the tip against Butte Central. 3. Even though this may look like Larry is suspended in air, he actually has just taken a set shot from the center court before the buzzer sounded. Helena won by a close margin.

Bottom row, left to right: 1. Hysell jumps—shoots—scores! 2. Hysell tips one in. 3. Ashcraft lays one up. 4. Randy drives in for two.

Top row, left to right: Leland hooks for two against Great Falls. Randy lays one in on the fast break. Second row, left to right: Leland fires a jump shot. Ken dunks one!

Ashcraft screens for Johnson.

B-SQUAD BASKETBALL

Bottom row, left to right: Coach Hansen, Rod Kovick, Russ Hoeffner, Tom McKinney, Barney Brandt, Bob Coltrane, Butch Nachtsheim, Jim Wilcox, Bill Walter, Rich Atkins, Gary Anderson. Top row: Max Simmons, manager, Bob Morrow, Larry Ursich, Lynn Fred, John Darlow, John Nickolay, Martin Vook, Doug Skor, Cliff Hennessey.

The B-Squad started the season as an inexperienced kitten team. As the season progressed, steady improvement was shown. All gained valuable experience which will benefit next year's team. Coach Hansen is to be commended for his hard work and time spent with the players.

CROSS COUNTRY TEAM

This year was the cross country team's first year in Helena Senior High School. The impressive showings made in Great Falls and Billings give the opinion that this phase of sports is worthwhile. Bill Gilbert is a great coach to work under as he was an excellent runner in high school. To the team-mates he is "one of the boys."

Top row, left to right: Tom Kenney, Dick Johnson, Gary Larson, Gene Gabriel, Juergen Greger, Coach Gilbert. Bottom row: Barney Olson, Chuck Doering, Ray Johnson, and Jim Little.

SKI CLUB

First row, left to right: Miss Pasha, sponsor; Jerry O'Neill, Vice Pres.; Arlee Anderson, Membership Chairman; Bob Hollow, Pres. 2nd row: Jim Little, Barb Phillips, Toni Palmquist, Judy Olson, Sue Lawrence, Diane Reber. 3rd row: Richie Rickman, Barb Thompson, Julie Long, Barb Blakely, Connie Bardon, John Hollow, Shirley Oleson, Sharon Stewart.

Tony, senior, has proved herself a very capable skier while being on the team three years.

Arlee Anderson, junior, is truly a wizard on skis.

Barb Phillips, junior, did very well this year and should be back to do a fine job on the team next year.

Diane Reber, really knows how to win the races.

Bob Hollow, senior, has skied in the Junior Nationals for three years and was captain of the Boys' ski team this year. He is a four year competitor in high school meets and an adept skier.

John Hollow, sophomore, has raced in high school and Junior National competition for two years. An adroit skier, he should do well next year in the ski meets.

S K I

Jim Little, junior, broke his leg in competition this year, but will be back next year in full strength.

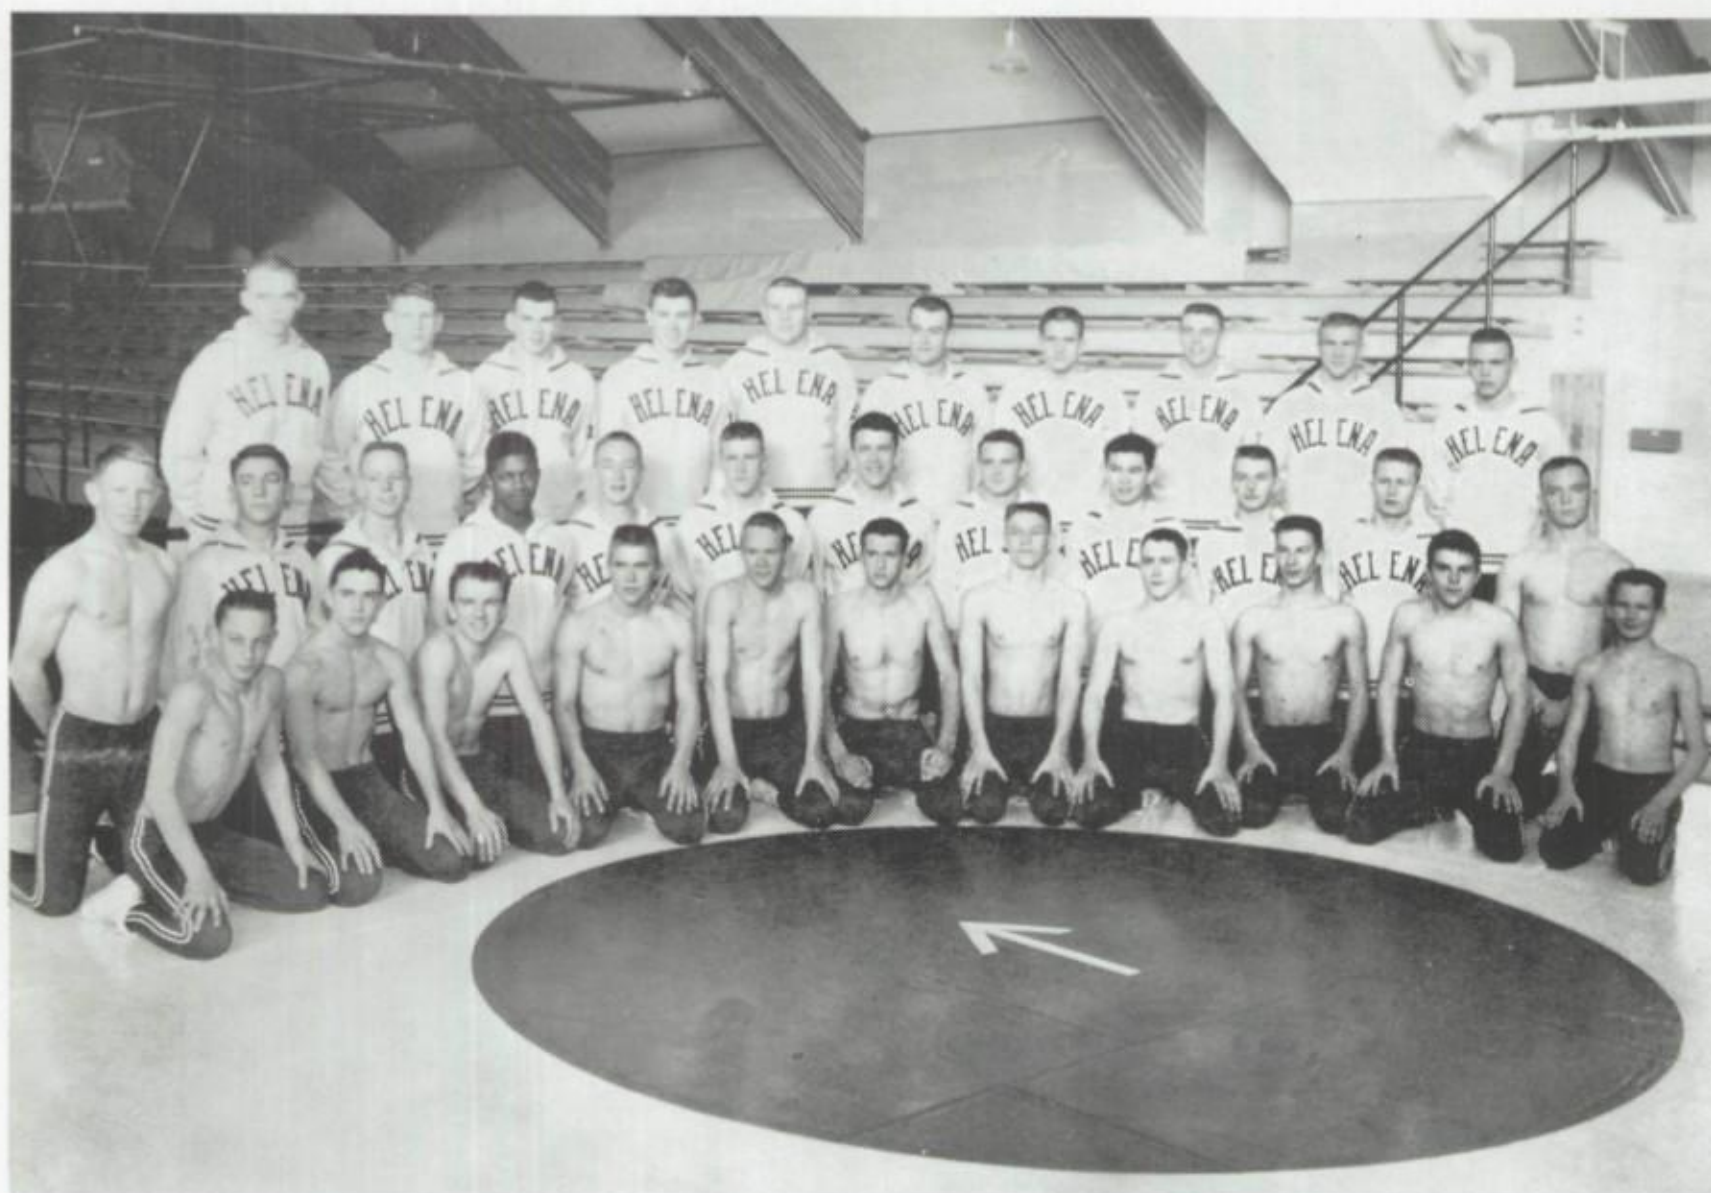

T E A M

John Young, junior, has much potential and is sure to be a strong all-around skier next year.

Jerry O'Neill, junior, in his second year of competing for the high school, did well.

Bottom row, left to right: Cris Meier, Rich Clark, Bob Ryckman, Conn Norling, Dave Tobol, Gary Flatow, Doug Pasche, Tim Conver, John Lewis, Paul Nichwander, Jeff Peterson. Second row: Jim Backstrom, Ron Prowl, Roy Weaver, Russ Williams, Milton Munson, Charlie O'Riley, Terry Harris, Gene Emzeth, Dave Milot, Dennis Hartsook, Ray Johnson, Dennis Meyer. Top row: Bob Wood, Bob Janes, Frank Schneckloth, Bob Hoffman, Jim Whipple, Jack Coe, Chuck Green, Art Cranmer, Ron Tobol, and Melvin Bing.

Coach Cohn has spent many long hours during wrestling season to give the boys a fundamental basis on which they can improve. He is to be congratulated for his sincere interest in youth development. His good humor is an inspiration to all who know him.

Undoubtedly wrestling is physically the most vigorous sport at Helena Senior High School. The team must be composed of grinding, relentless "Spartans." One can admire the wrestlers for their endurance.

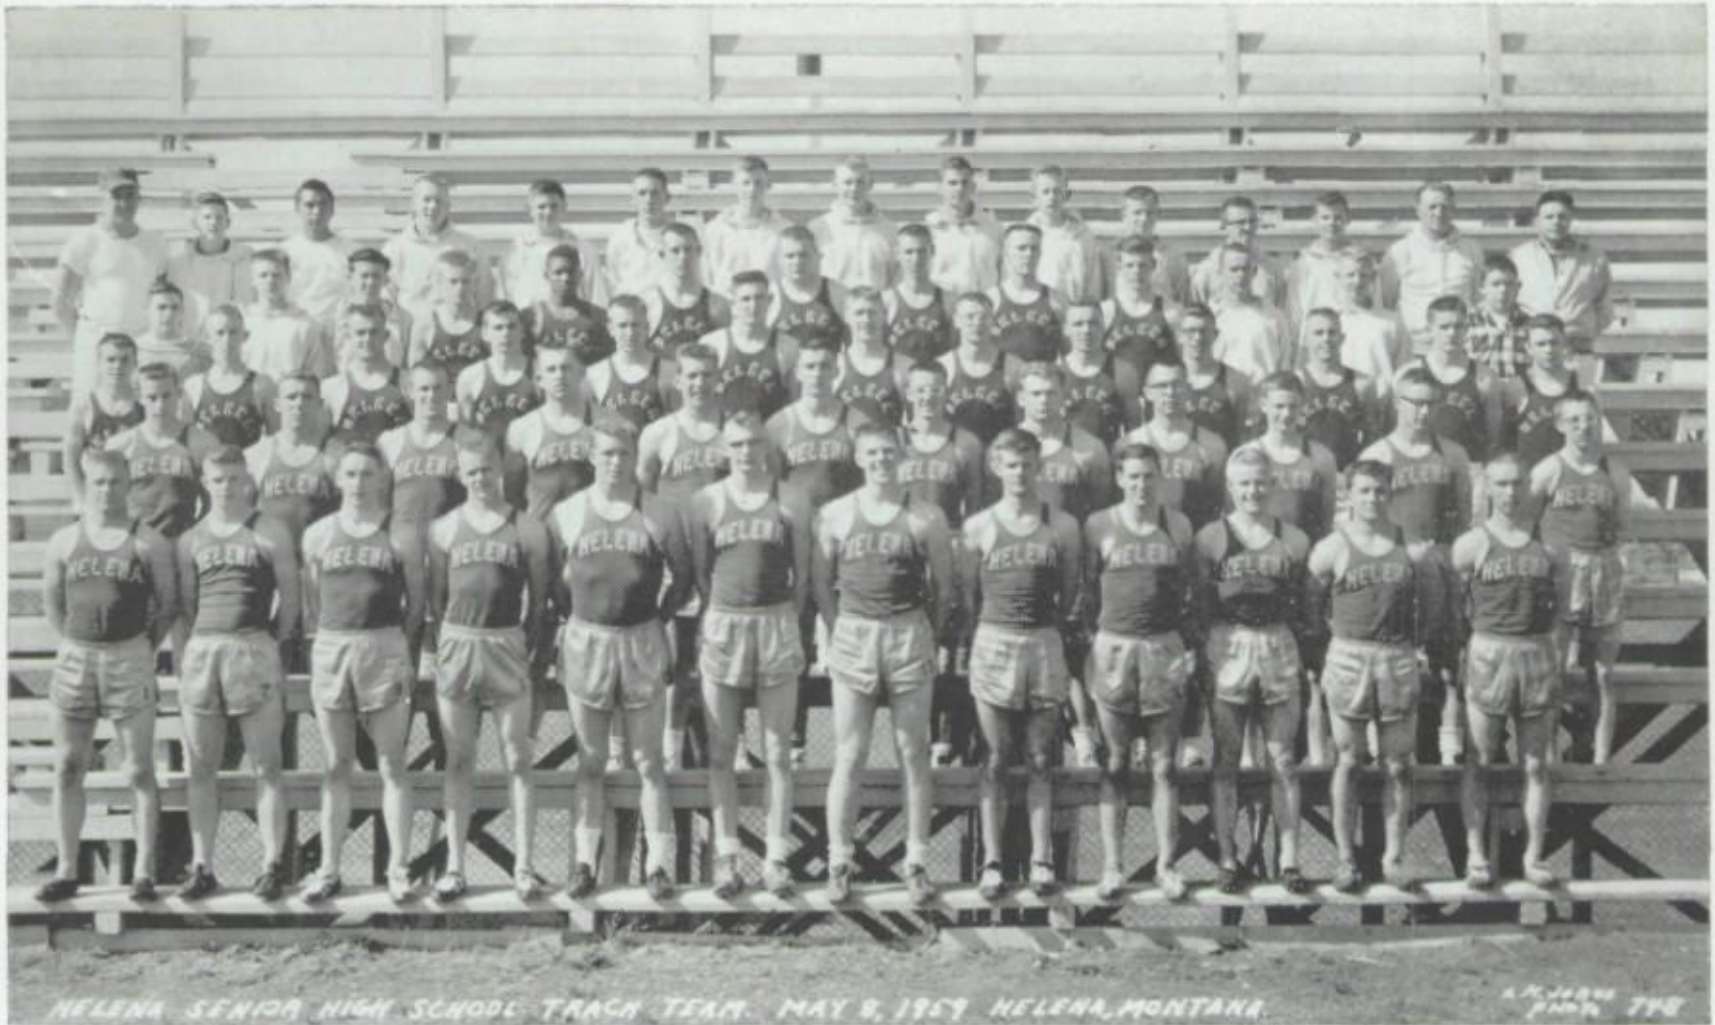

JACK COE

Jack was the outstanding wrestler for the Bengals this year. He placed third at the State Tournament.
